Ledbury & Colwall

Making your Christmas Meals Special  
- every day throughout the festivities!

### Christmas Day

So that your Wallers' Turkey will carve more easily and be even more succulent to eat, try our "30 : 30 : 30" tips:-

- take it out of the 'fridge 30 minutes before cooking it.
- if you prefer cooking in foil, but want a crisp, brown skin, remove foil 30 minutes before your turkey is fully cooked
- add 30 minutes after cooking to allow the meat to "rest" and reabsorb the cooking juices. Enjoy!
